DRAFT Unified Command Site Bulletin 7-11-2016 TP MR EN RHB.docx

Hi Michelle,

Here is the draft with Rusty and my edits.

Thanks,

Elena

Here is my track-changes version. I think we should add the numbers, and if we could get the total number of air, dust, and soil samples, I think that would be great to include in a total. Just to show how much work was done to make sure that the community is ok to move back home to.

Thanks for being there, and helping out. I really did need a day off from it!

Rusty
